

# WINDOW TINTING BENEFITS

WINDOW TINTING  
IN TEMECULA

## ENHANCED LOOK

1

Adding window tinting to your vehicle, home or office building gives a clean, finished look while cutting down on glare from sunlight.

## COMFORTABLE ENVIRONMENT

2

Window tinting film creates a more comfortable environment, whether it is installed on a vehicle or a home or commercial building.

## BLOCKS UV RAYS

3

Window tinting film blocks 99% of the sun's ultraviolet and harmful rays from entering your your vehicle, home or office building.

## SAFETY & PRIVACY

4

You can increase privacy by selecting films that prevent others from looking in during the daytime, which makes it more difficult to see valuables inside.
